## GRAMMY AWARD WINNING MUSIC PRODUCERS TEACH at COMMUNITY BEAT CLINIC

The BEAT CLINIC Kicks Off Saturday, June 17th 2017 1-5pm

Norfolk, Va. — Grammy Award Winning Music Producers Nottz (Travis Barker, Notorious B.I.G, Snoop Dogg) and Bink (Kanye West, Rick Ross, Nipsey Hussle) share gems on their success in music industry as they host Music Theory Studios' Beat Clinic, Saturday, June 17 at the Slover Library from 1pm-5pm in Norfolk, VA.

Fueled by Music Theory Studios, the interactive and free beat clinic offers workshops, musical performances, arts and crafts activities, exclusive giveaways, a community Graffiti Wall and other opportunities to meet face to face with the most sought after music producers and influencers from the Hampton Roads area. The event will highlight Hampton Road's rich cultural contributions to the music industry. Norfolk natives Super Producers Nottz and Bink take fans, friends, and music lovers of all ages on an exclusive journey behind creating a beat from start to finish in their Masterclass: "The Art of Beat Production."

*"We want to educate the community about true musicianship by providing an in-depth look into how music producers of this era create Grammy award winning beats," says Music Theory Studios' Co-Founder, Jazzarae Jones.*

*"This Beat Clinic is about giving back. It's that simple- a free event that's about what I love... MUSIC" says Nottz*

This unique music experience will feature brass bands, live musicians, the hottest iHeart Radio DJs, BBoys/BGirls, dancers, and Jam Skaters. The Graffiti Wall encourages visitors a safely guided way to tap their inner artist and add to the magic of the day's activities. The Graffiti Wall will serve as a reflection of how this eclectic community has come together to create moments that inspire and cultivate this artistic hub of legendary musicians. And highlights the music industry's most influential producers to date. Visitors are encouraged to explore the vendor tables as well as the arts and craft tables for artists of all ages.

Music Theory Studios Beat Clinic is sponsored by iHeart Radio 103 Jamz and Native Instruments. Music Theory Studios will be giving away 2 beat machines from Native Instruments, a private reception for the contest winners and runner ups, 2 Family (4) Pack tickets for *Lifetime's hit series Bring It!* and other giveaways and special guests.
